

# Turnkey MDR for MSPs 24x7 SOC, CrowdStrike Power, Hands-Off for Your Team

With 25 years securing the Northeast, STIGroup operates a New York-led, follow-the-sun SOC. Offer enterprise-grade CrowdStrike MDR as our US-based team manages detection, investigation, and remediation directly with your clients, keeping your tech staff hands-free.

## Value Pillars

- **Follow-the-Sun SOC**  
U.S.-led analysts with near-shore & APAC coverage contain threats 24x7.
- **CrowdStrike + Torq Automation**  
Powered by CrowdStrike. Optional Torq hooks into your PSA or RMM ticket queues.
- **Direct-to-Customer Response**  
STIGroup contacts your customers, handles basic remediation, and closes the loop—your team stays focused on core IT.
- **Revenue-Boosting Partner Model**  
Earn 20–35% recurring margin, access co-branded collateral, and track every case via our multi-tenant portal—no white-label setup needed.

## MSP Partner Benefits

- 20–35 % recurring margin on MDR seats
- Deal registration & MDF
- Optional Torq automations into ConnectWise, Autotask, etc.
- Multi-tenant portal for full SOC transparency
- STIGroup handles customer escalations & basic containment

*"STIGroup's MDR let us offer 24x7 coverage without hiring additional analysts. Our Long Island clients notice the difference." CTO, Suffolk-base.*

## Purpose-Built to Support MSP's

- Designed for multi-tenant management, our MDR integrates with your existing RMM/PSA stack so you can on-board a client in under an hour.
- Typical partners add \$80–\$120 in monthly ARR per endpoint, with no extra hires.
